Sir,

Subject - Re the grant of an allowance of Rs 5/- to clerk Mr M Narayana Iyengar in grade Rs 50-2-60 in view of the arduous nature of the duties entailed on him ~~xx~~ in connection with the cheque writing work

---

I have the honour to state that the business of cheque writing work had been entrusted to an official in grade Rs 25-1-40 and upon the transfer of the official in November 43, his substitute did not join duty for about a month In consequence, the cheque writing work fell into arrears which could not be put off It was therefore necessarily to be entrusted to a responsible senior official who had furnished a cash security It was accordingly given to clerk Mr M Narayana Iyengar in grade Rs 50-2-60 in addition to the cash transactio which ~~are~~ were also very heavy He has been attending to this work since November 1943 The official posted in place of the previous cheque writing clerk was not found to be suitable for this work in view of his being quite new to the work and the cheque writing work involved a heavy responsibility Besides, the work entrusted to this official was also heavy so much so he could not atterd to it satisfactorily

LAW DEPT 17 APR 1944 GOVT OF MYSORE

In this connection, it may be stated that the work of the Head Office has considerably increased and there is a proposal to augment the present establishment to cope with the increased work This proposal, after some correspondence

5

with the Government is before the Re-organisation Committee for putting up suitable proposals in view of the observations made by Government on this behalf Pending the result thereof, it has become inevitable to allot extra work to the existing staff So, the official Mr M Narayana Iyengar, has in addition to cash work, been asked to attend to cheque writing work The cash transactions which on an average comes to about Rs 3,000/- per day has also to be attended to, with great care, besides its remittances to the Bank

I may state that cheque writing is an important item of work, requiring care, accuracy and earnestness and it cannot be entrusted to a low paid official as the work is an arduous and taxing nature There has been of late, a considerable increase in the number of cheques to be written up In view of the extra work involved on the official in cheque writing work a proposal to grant an allowance of Rs 5/- was placed before the Re-organisation Committee who in their Resolution dated the 28th March 1944 recommended the grant of the allowance for sanction The Municipal Council before whom the question came up, also sanctioned it in their resolution No 714 dated 10th April 1944 A copy of the resolution of the Re-organisation Committee as also of the resolution of the Municipal Council is herein enclosed

I request that in view of the circumstances explaine above, sanction may kindly be accorded to the resolution of the Municipal Council to grant the allowance of Rs 5/ pending the re organisation of the Head office

I have the honour to be,
Sir,
